**ANALYSIS:** (Attach a separate page if necessary)

The cost of modifying license forms, the increased burden of administration, and anticipated revenue generated by this legislation are all expected to be insignificant. Depending on how this legislation is implemented by the Board of Game, some staff time is likely to be required to review and/or monitor activities of licensees, but this is expected to be minor.

It is difficult to project the number of persons who would annually obtain the \$100 nuisance wild animal control license.
