*“An Act relating to the sale of beer manufactured at a brewpub; continuing the existence of the Alcoholic Beverage Control Board; and providing for an effective date.”*

\*TITLE CHANGE\*

### Sectional Analysis

**Section 1** – Amends [AS 04.11.135](#)(d)(3)(C) by adding language that will allow brewpub licensees to sell beer to an individual present on the premises, in quantities of 5 gallons a day or less, at the same location where that brewpub licensee also is the holder of beverage dispensary license<sup>1</sup> (Pg.2, Ln. 9-10). **All language, found in Work Draft 23-LS0862\I considered by the Labor and Commerce Committee on Wednesday, April 9<sup>th</sup>, pertaining to removal of peace officer powers for Alcoholic Beverage Control Board investigators has been removed.**

Further, the language restricting the amount of beer (15,000 gallons or the amount sold in 2001 plus 10 percent, whichever is greater) manufactured by the holder of the beverage dispensary license can sell to a person licensed as a wholesaler, has been reinserted (Pg. 2, Ln. 5-8)

**Section 2** – Amends [AS 44.66.010](#)(a)(1) by extended the date of existence for the Alcoholic Beverage Control Board from June 30, 2003 to June 30, 2006 (Pg. 2, Ln. 13-14).

**Section 3** – Provides for an effective date for provisions of this Act of July 1, 2003.

<sup>1</sup> This corrects the arbitrary restriction on Alaska’s brewpub licensees who may manufacture their beer in one location in the state, and dispense it in another.
